## READ WHAT OUR CUSTOMERS HAVE TO SAY ABOUT US!

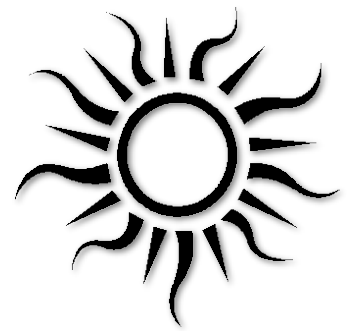

**"Thank you very much** for your work on our roof. We were very happy that you were able to fit us into your schedule as quickly as you did. Your workers were efficient, friendly and professional. We were so thrilled that they went the extra mile to get the job done in a day so that the roof did not sit incomplete overnight under the risk of rain. Their cleanup was excellent as well. Thanks again for taking care of our roof. From the management to the sales staff

and roofers, Tom Leach Roofing is top notch. We would recommend Tom Leach Roofing to anyone that needs a new roof."

**"Tom Leach Roofing came** out to give us an estimate and we decided to go with them based on their professional attitude and reasonable quote. The crew came out and worked quickly to re-roof the leaking spot. The crew was very courteous and made sure to clean up the yard when they were done with the

job. We were very pleased with the quality of their work and the speed of the job."

**"Our house was being** sold and was going through the inspection period so a quick turnaround was critical. Aaron and his team were very responsive--from the initial estimate, to getting the work done. I was a little concerned that since it was a smaller job they wouldn't be responsive, but that was not the case at all. They were great!"
