READ WHAT OUR CUSTOMERS HAVE TO SAY ABOUT US!

“Tom Leach Roofing did the job from start to finish in two days. They did good work-- quick and very clean. The workers were friendly and courteous. Aaron was professional, very responsive, and a pleasure to deal with. The estimate he gave us was about the same as another roofer, who seemed fine too, but we went with Aaron because a friend of ours had recently

used him and had highly recommended him. We were not disappointed!”

“We had Tom Leach Roofing do our roof. They finished yesterday and it turned out very nice. Aaron was nice to deal with and although I have done enough remodeling to be pretty picky, I had absolutely no complaints! They even did some extras that I didn't expect--like adding a couple

of extra roof vents and painting the housing on the roof mounted exhaust fan for our range. Because of Tom Leach Roofing, we now have a Cadillac roof on our crummy little house. Thanks for the recommendation!

“They were very efficient and did a good job on my roof! The pricing was competitive and they did a great clean up. They worked for 3 solid days!”
